Background

Achieve More emerged from the regional IMPACT 20/20 Education Task Force's priority initiative to increase high school graduation rates and encourage more students to consider attending college. Launched in fall 2012, the project is a collaborative effort among UMC's Center for Adult Learning (CAL), the Retired and Senior Volunteer Program (RSVP), and the Crookston Area Chamber of Commerce. Achieve More consists of two major components, College and Career Preparation 101, aimed at grades 7-12, and Junior Achievement, which returns to the Crookston School District for grades 2-6.

Today the University of Minnesota, Crookston delivers 26 bachelor's degree programs, 18 minors, and 39 concentrations on campus--as well as 10 degrees online--in the areas of agriculture and natural resources; business; liberal arts and education; and math, science and technology. With an enrollment of 1,800 undergraduates from 25 countries and 40 states, the Crookston campus offers a supportive, close-knit atmosphere that leads to a prestigious University of Minnesota degree.
